Athletic physicals were carried out on all pupils in the Junior and Senior High School by Dr. Charles Althoff and Dr. Ralph Parker. Nurse examinations were done in the Elementary Schools.

The Tine Tuberculin Test was done on the pupils in grade one. This program is through the New Hampshire Tuberculosis and Health Association.

This year we were unable to have the services of the Dental Hygienist due to illness. This program, through the Bureau of Dental Health, consists of instructions and films on care of the teeth.

Sponsored by the Rehabilitation Center in Portsmouth, Speech and Hearing tests were carried out on pupils in each school who were referred by their class room teacher. Number of children tested: North Woodstock Elementary 24, Lincoln Elementary 27, Kindergarten 2, Junior and Senior High 7. Total 60. The testing was done by personnel from the Center.

Nurse In-service Education sessions were offered by the White Mt. Community Service in Littleton. Sessions attended, 3. Conferences held in Concord relative to Public Health Nursing. Number attended by nurse, 3.

Again this year, through Rev. Harry Flad, the Youth Fellowship of the Pemi-Valley Cooperative Par-

ish collected groceries for both the Thanksgiving and Christmas holidays.

The children of both towns greatly enjoyed the Christmas party given for them by the American Legion.

The Christmas baskets donated by Littleton Lodge of Elks were much appreciated.

For their Christmas project this year, the personnel and students of Junior and Senior High School donated a generous sum of money to an orphanage in Vietnam that the children might have a real Christmas. The personnel and students are to be congratulated.

For all cooperation during the year I extend my sincere thanks.

Respectfully submitted,

NORA E. PARENT, R.N.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

- 2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
- 3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
- 4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
